**Support Affordable Housing for the
Martindale-Brightwood Education Zone**

Through the Indiana Neighborhood Assistance Program – (NAP) Tax Credit Program, your donations help secure affordable housing, and saves you money on your taxes.

MBCDC partners with Youth Build and other developers to ensure that affordable housing is included in new construction in the MBEZ, and that local youth are involved and trained throughout the construction.

How does the tax credit work?

“NAP Credits are like a rebate from the state. Any donor contributing \$100 or more, will receive a credit for 50% of their donation when filing their Indiana State tax return. Your donation can also be used as a deduction on your tax return.”
